Sir,

At 9.15.p.m. 6-4-33 S.I.s McCahey and Liu, on motor cycle patrol brought to the station two male Chinese named Wong Tsong Hwo, coolie, residing at Tseu Ka Pa Road and Heu Tsang Sung, coolie, also residing at Tseu Ka Ba Road, whom they had arrested on Whashing Road near Yangtszepoo Road for being in possession of a quantity of Communistic literature. Both men were interrogated at this station and stated that accompanied by another two men residing at a straw hut off Meichow Road, they left Foochow Road this P.M. with the intention of walking to their homes in the Eastern district. They turned north into Whashing Road, from Y'poo Road and near the junction of both roads, noticed some papers and small books lying on the foot path, which were picked up by the coolie Heu Tsang Sung, with the intention of taking same home to paper the walls of his home. They were arrested about 150 yards north of this spot by S.I. McCahey. When the Police proceeded to the scene where the suspects stated the papers were found, several more copies were found at this spot, and also on Y'poo Road near the Swo Cotton Mill. Evidently the literature had been damped on to the roadway from a motor car, and was picked up by the coolies on their way home. The two suspects were released after enquiries ascertained that they were in no way connected with Communistic activities. The literature found will be forwarded to Headquarters on 7-4-33, through the usual channels.
